# RANGER **SMART** FEATURES

## EZI-LIFT TAILGATE[1]

You've got enough heavy lifting to do. Load your new **RANGER** with greater ease, thanks to the tailgate with lift assistance that now requires 70% less effort to close.

## ACTIVE PARK ASSIST WITH PARALLEL PARKING[2]

Not everyone loves to parallel park. But what if we designed a bakkie that not only helps you find the right size parking space, but also automatically steers itself in for a perfect park? The new RANGER offers semi-auto Active Park Assist to make city driving even easier.

## THATCHAM ALARM[3]

- Reinforced shielded door locks.
- Horn with reinforced bracket and battery backup system.
- ECM with reinforced shield.
- Improved engine immobilizer.

*[1]Ezi-Lift tailgate with lift assistance is available on XLT, and Wildtrak derivatives only. [2]Active Park Assist with parallel parking available on Wildtrak derivatives only. [3]All Rangers from XL and above is fitted with a Thatcham Level 1 alarm system. [4]Tyre Pressure Monitoring System available on Wildtrak derivatives only. [5]Electronic Shift-on-the-Fly available on 4x4 derivatives only. [6]Hill Descent Control available on 4x4 derivatives only. [7]Towing capacity figures will vary according to specific derivative. See specification sheets. Only available on Ford APPROVED towbar. [8]800mm water-wading capability standard on all new RANGER hi-rider derivatives when maintaining a steady speed of 7km/h.*

Lane Keeping Aid

Cruise Control

Rain Sensing Wipers

## TYRE PRESSURE MONITORING SYSTEM[4]

When your tyre pressure isn't right it can compromise safety and fuel economy. The Tyre Pressure Monitoring System (TPMS) alerts you when one or more of your tyres has lost pressure.

## ELECTRONIC SHIFT-ON-THE-FLY 4X4[5]

Choose 4x2 for regular driving, 4x4 High Range for poor road surfaces and dirt tracks and 4x4 Low Range for exceptionally challenging terrain. Using Electronic Shift-on-the-Fly you can also switch between 4x2 and 4x4 High Range, whilst on the move.

## HILL DESCENT CONTROL[6]

The new RANGER 4x4's Hill Descent Control is designed to automatically apply braking, as needed, to slow the vehicle to a set speed in off-road downhill conditions. Speed can be adjusted through the accelerator and the cruise control buttons.

## TOWING CAPACITY

With up to 3 500kg[7] towing capacity, you can confidently take on the biggest jobs. Trailer Sway Control provides stability and greater control when towing a trailer.

## 800MM WATER-WADING CAPABILITY[8]

It's not only on dry land that the new RANGER proves that it can take you just about anywhere you need to go. A river-taming 800mm makes sure there's very little that can come between you and getting the job done.

# **SPECIAL** EDITION RANGERS

**Side step only available on XL Sport built from Feb 2021, not available on Single Cab.*

Fitted side step*

FX4 Side Decals & 3D Tailgate Badging

# **POWERTRAINS** AND ENGINES

## BI-TURBO DIESEL

**157kW / 500Nm**

4-Cylinder Diesel Engine

The innovative Bi-Turbo diesel engine's two turbos work sequentially to deliver huge power and torque, combined with a state-of-the-art 10-speed auto transmission.

## SINGLE-TURBO

**132kW / 420Nm**

4-Cylinder Diesel Engine

Not only does the Single-Turbo diesel engine deliver strong performance lower down the rev range, the 10-speed automatic transmission also helps improve fuel efficiency.

## 3.2L TDCI

**147kW / 470Nm**

5-Cylinder Diesel Engine

The tried, tested and trusty workhorse that has capably delivered seamless torque to thousands of RANGERs.

## 2.2L TDCI

**118kW / 385Nm**

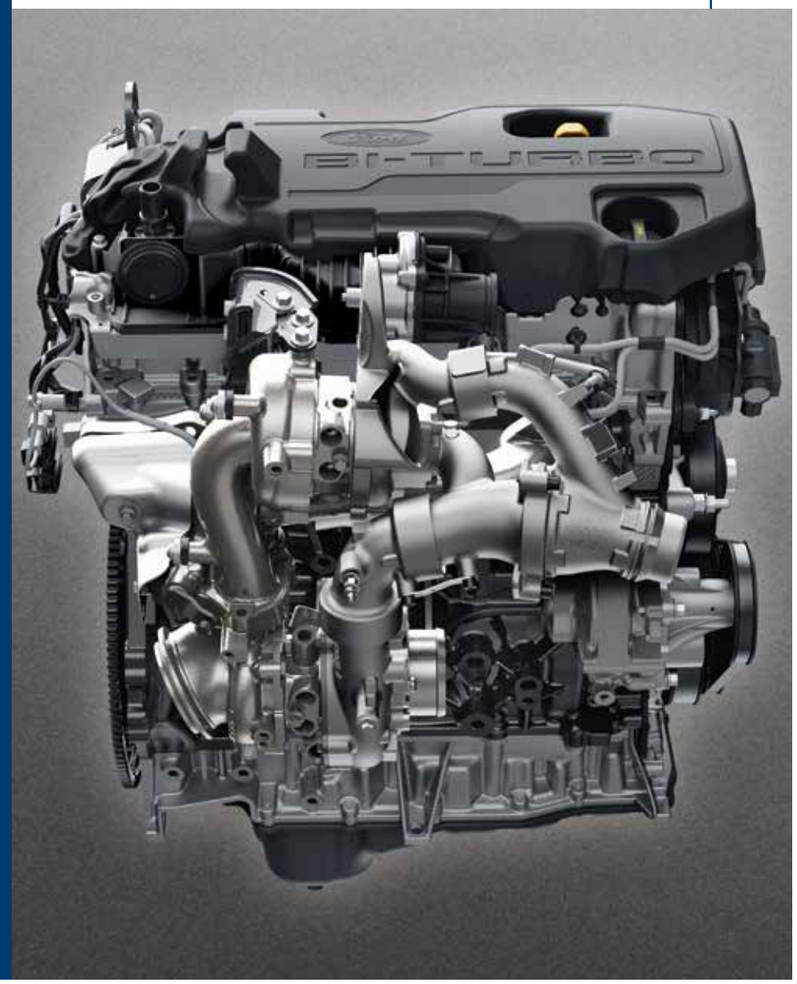

4-Cylinder Diesel Engine

The economic choice, this engine will provide thrifty service for years.

## NEW IMPROVED DIESEL ENGINES. BIG POWER, SMALL APPETITES.

The heart of the new RANGER's superior durability and strength just got an upgrade. The new RANGER's diesel engines deliver more than just big power numbers – they're more fuel-efficient than ever. So you can spend more time on the move and less time at the fuel pump.

*Computer-generated image. Features differ per derivative. See specification sheets.*

# FORD **INFOTAINMENT** TECHNOLOGIES

## CONNECT WITH YOUR CAR FROM THE PALM OF YOUR HAND

The New **FordPass** Connect modem makes your journeys easier. Discover a range of features in your vehicles, and on your smartphone, that work together to keep you effortlessly connected on every journey.

- Remote Lock and Unlock
- Fuel Status
- Car Health Alerts
- Remote start*
- Car Finder

**Only available on automatic transmission vehicles featuring push start button.*
***FordPass connect and embedded modem comes standard on 2021 Rangers (Feb production).*
****Ask your nearest dealer for more information on FordPass.*

## SYNC®

SYNC®3 is a fully integrated, voice-activation system that lets you use your favourite devices while your hands stay on the wheel and your eyes stay on the road. Sync your phone to call your friends and play your favourite music, and stay on track with the integrated satellite Navigation system. Equipped with a customisable 8" colour LCD capacitive touchscreen; SYNC®3 is quicker and more responsive than ever before.

*Navigation is standard on XLT and Wildtrak.*

## 8 INCH COLOUR TOUCH SCREEN

The 8" Colour Touch screen delivers improved connectivity and is largely equivalent to SYNC®3 with the exception of Navigation and Embedded Voice Recognition. The system is fully compatible with Android Auto and Apple Carplay. Other features include Applink, text-to-speech and Wi-Fi hotspot compatibility.

** Standard on XLS and Optional on XL.*

# COLOURS & WHEELS

The Ford Wildlife Foundation (FWF) supports environmental education, research and conservation projects around Sub-Saharan Africa. The Ford RANGER is used to enable the projects to go further, and make a real impact in the environment in which they operate. For further information on the FWF, visit ford.co.za or email wildlife@ford.com.

LIVE THE

# RANGER LIFE

Ford

## 1 UP AND OVER

There's no challenge we don't tackle head on. When we see a mountain range we want to go over, not around. This is true of our truck, users, Ford and partners.

## 2 CAN'T HELP BUT HELP

We are doers. We pitch in. When people need help or assistance we're always there. On the building site, helping friends or loved ones, or our dealers within their local communities.

## 3 CARVE YOUR OWN PATH

We are the truck that redefined the category. We don't wait for others to lead. We have a vision and objective and we're fearless in what we need to do to achieve our goals.

## 4 BRING OTHERS ALONG

It's great to work hard and achieve recognition, but even better to share it with those who mean the most - our family and friends.

## 5 WE MAKE OUR OWN FUN

There's no such thing as all work and no play. And when it's time to play, we know how to make the mot of those opportunities. Our truck is awesome and fun to drive.

## FORD PROTECT

Ford **PROTECT** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new RANGER in perfect working condition.

All new Ranger derivatives retailed after 01 April 2018 will have service intervals of 12 months / 15000km whichever comes first. Rangers retailed prior to April 2018, please make sure you follow your service booklet for your service intervals. Service Plan covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades. An Extended Warranty may be purchased prior to the expiry of the 4-yr/120 000km New Vehicle Warranty, please contact your dealerships for additional options on the extended warranty. Consult the vehicle handbook, www.ford.co.za or your nearest Ford Dealer for more information regarding Ford **PROTECT** plans and products.

**Warranty:** Extension covering your vehicle for up to 7 years or 200 000 kms from the original warranty start date.
Please contact your nearest Ford franchise dealer for all available options.
**Service Plans:** Extensions available for up to 8 years or 165 000kms from original warranty start date.
Please contact your nearest Ford franchise dealer for all available options.
**Maintenance Plans:** Ford Protect has a variety of maintenance options for up to 7 years or 150 000kms.
Please contact your nearest Ford franchise dealer for all available options.
**Roadside Assistance:** Option for an additional 1 or 2 years Roadside Assistance.

*The declared fuel consumption and $CO_2$ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and $CO_2$ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.*

*Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. Printed April 2021.*

*The declared fuel consumption and $CO_2$ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and $CO_2$ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.*

**Leather seats are a combination of leather and high-quality, durable materials.*

*[Ø]Features are available from MY2020 derivatives only. Please contact your nearest dealer for more info.*

***FordPass connect and embedded modem comes standard on all Rangers from February production 2021.*

*Remote start only available on automatic transmission vehicles featuring push start button.*

*Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers. Printed April 2021.*

BUILT Ford TOUGH

# TOWING ADVISORY

**The towing capacity is the maximum trailer mass that the vehicle has been designed to tow. However the combined mass of the vehicle and trailer should never exceed the Gross Combination Mass (GCM) of the vehicle.**

**KERB MASS** refers to the mass of the vehicle with standard specification, a full tank of fuel and all necessary consumables but no passengers or cargo.

**GROSS VEHICLE MASS (GVM)** is the maximum allowable mass of the vehicle when fully loaded with passengers and cargo (i.e. kerb mass plus passengers and cargo)

**GROSS COMBINATION MASS (GCM)** is the maximum allowable mass of the vehicle and trailer combined (i.e. GVM plus trailer mass)

| Body Type | Model | GCM (kg) | GVM (kg) | Towing capacity braked (kg) | Kerb Mass (kg) | Tare mass (kg) | Payload [passenger weight (65kg) and fuel wieght (80l) removed] | Vehicle load capacity when towing maximum capacity (GCM - Kerb mass - Towing Capacity) |
