

EVEREST

**READY
SET**
Ford

LOSE YOURSELF. FIND YOURSELF.

You wanted an SUV with uncompromising capability, safety and comfort. A complete SUV – tough on the outside, sanctuary on the inside, and ready for everything ahead of you and your family. You demanded it, we built it! The Ford Everest.

Platinum

Platinum brings an exclusive level of sophistication, luxury and intelligence to overlanding mastery. Built because we can, the Everest Platinum is king of the road.

Sport

Blacked-out grille, trim and wheels are matched with an athletic ebony interior, for a dominant signature effect. The Everest Sport is ready to take on your adventures.

Customers can be confident that they have the power and torque they need whether they're towing, going off-road, or just heading out on a family adventure.

3.0L V6 Turbo Diesel

A powerful 3.0L V6 Turbo Diesel engine headlines an exciting range of Diesel engines. Standard on Sport, Wildtrak and Platinum models, the 3.0L V6 delivers 184kW of power and 600Nm of torque.

2.0L Turbo Diesel

The proven 2.0-litre Turbo Diesel powertrain is backed by Ford's efficient 10-speed automatic transmission. Standard on Active model. The Turbo Diesel engine offers 124kW of power and 405Nm of torque.

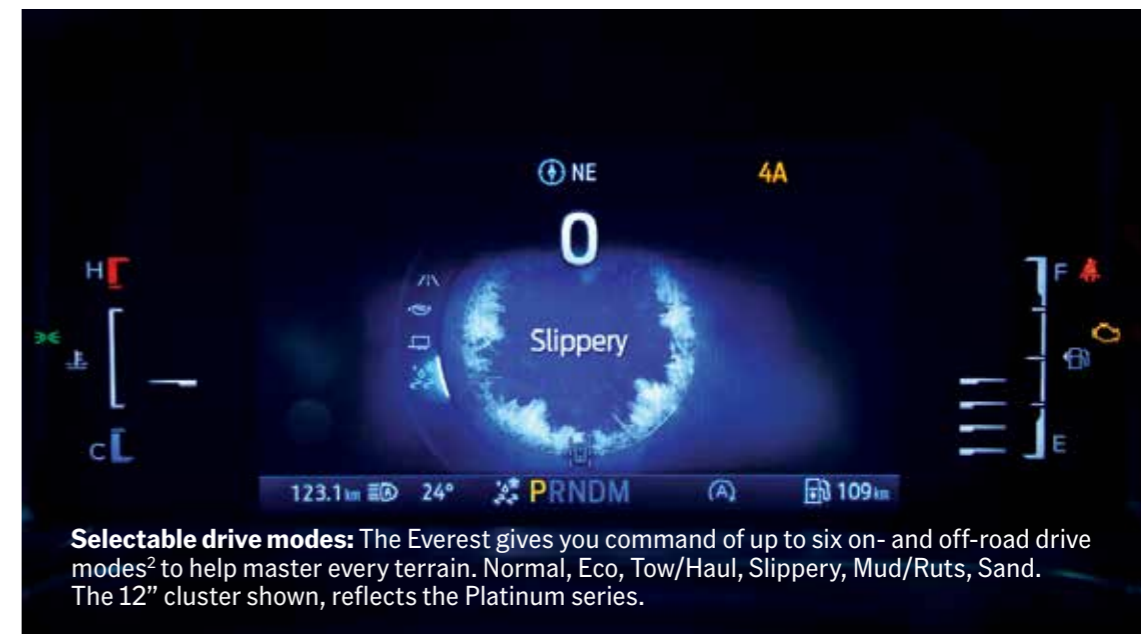

Power & capability

The Everest features a choice of premium engines that deliver power and torque for towing, hauling and off-roading, and comes standard with Ford's efficient 10-speed automatic transmission.

Ultimate towing experience

3500kg max towing capacity¹ is just the start. The Everest is loaded with features and tech to help make towing easier and safer.

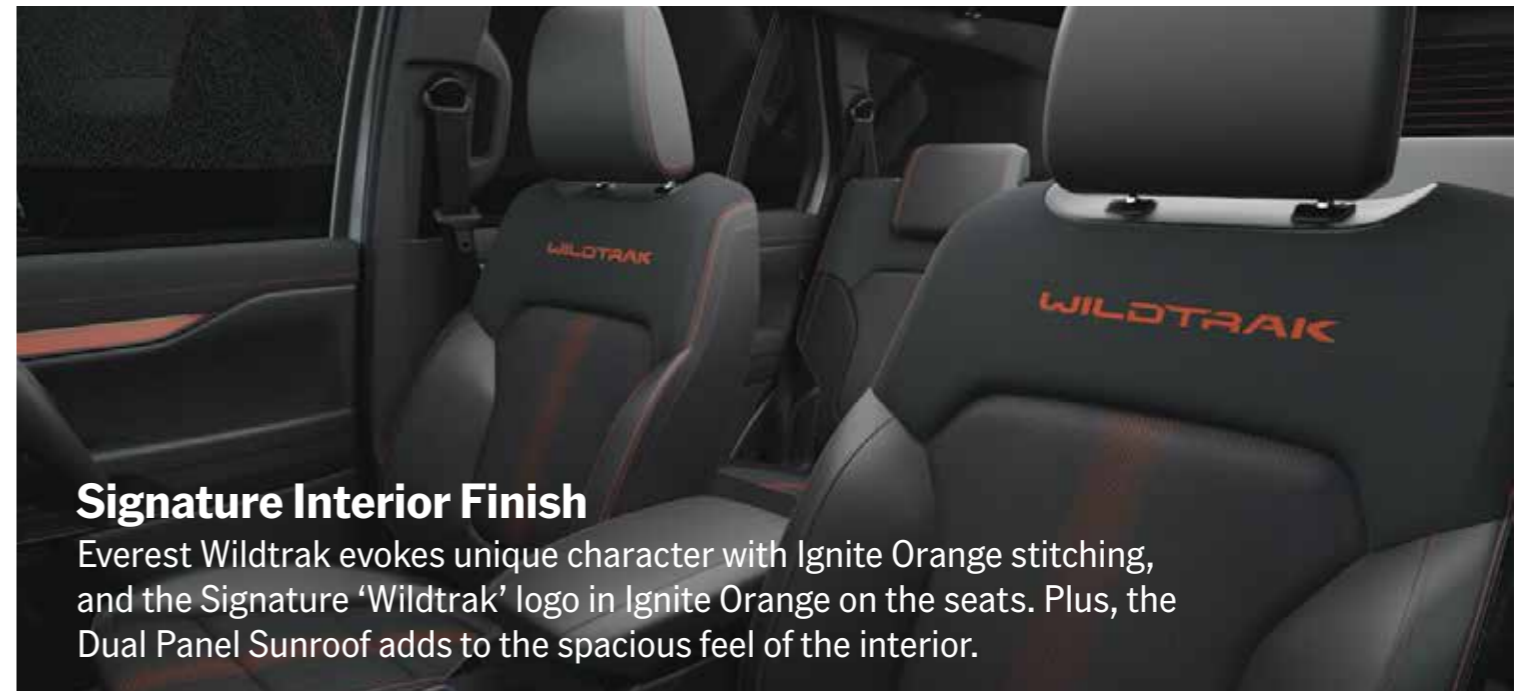

Selectable drive modes: The Everest gives you command of up to six on- and off-road drive modes² to help master every terrain. Normal, Eco, Tow/Haul, Slippery, Mud/Ruts, Sand. The 12" cluster shown, reflects the Platinum series.

EVEREST WILDTRAK

Everest Wildtrak's unique grille design and tough-look mesh is surrounded by our new Matrix LED C-clamp headlamps. The wider lower mouth creates an even bolder and more distinctive signature look.

READY SET *Ford*

Signature Interior Finish

Everest Wildtrak evokes unique character with Ignite Orange stitching, and the Signature 'Wildtrak' logo in Ignite Orange on the seats. Plus, the Dual Panel Sunroof adds to the spacious feel of the interior.

Engineered sanctuary

You told us to take the interior to the next level, so we did. The Everest's cabin is simply breathtaking. It's comfortable, beautifully finished, spacious and purposefully laid-out.

Intuitive technology

The Everest is packed with tech to make driving safer, easier and more fun. From simple touches such as wireless charging to sophisticated systems that can assist you in reversing a trailer hands-free.

E-shifter

Premium High-tech Dash

New coast-to-coast instrument panel increases the sense of space and width in the cabin. The full digital instrument cluster and integrated 12-inch centre LCD touchscreen are surrounded by premium materials and finishes.

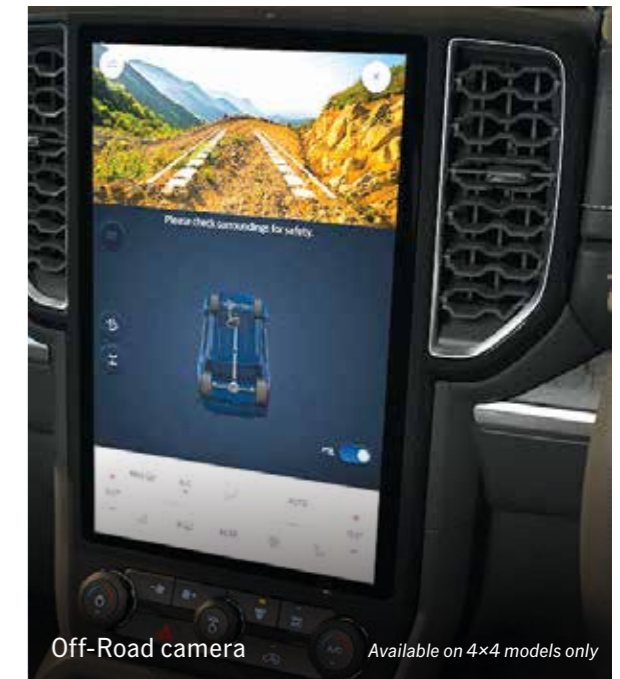

Off-Road capability with selectable drive modes

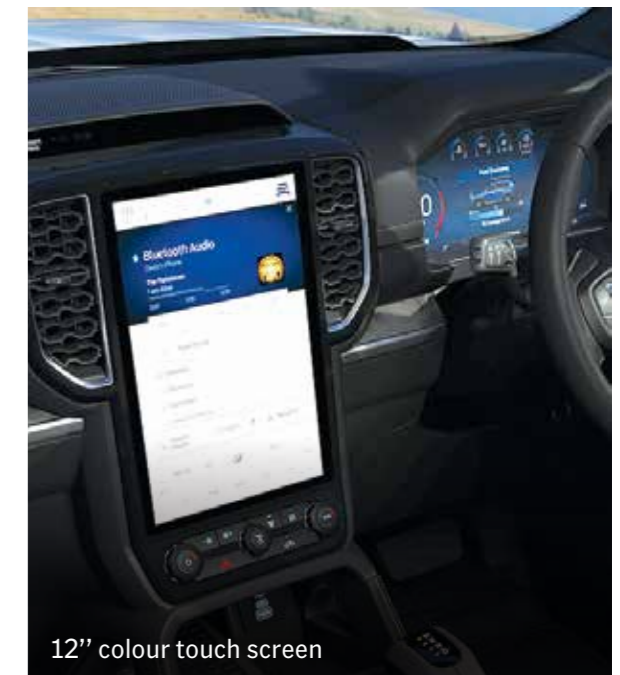

Flagship Interior

The elevated luxury interior features heated & ventilated* partial leather seats with 10-way power and memory for the driver. Opulent finishes framed in satin chrome accents provide warmth and elegance.

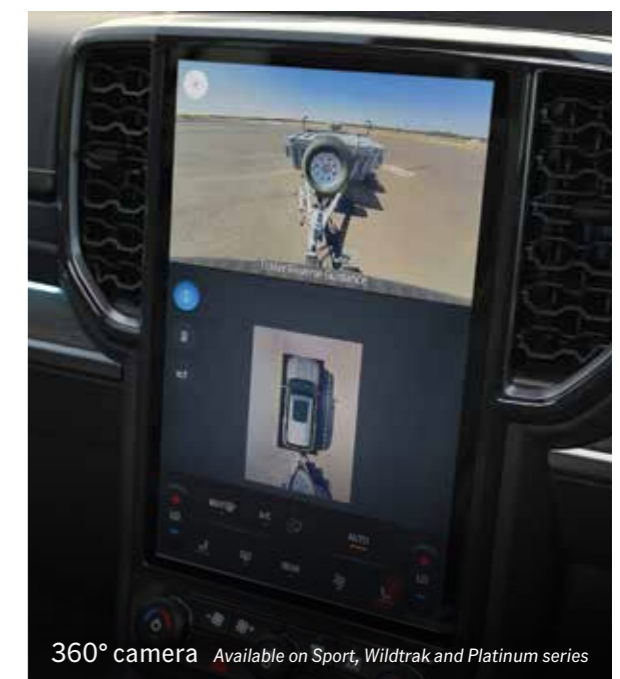

**Heated and Ventilated seats only available on Everest Platinum*

Off-Road camera Available on 4x4 models only

12" colour touch screen

360° camera Available on Sport, Wildtrak and Platinum series

Wireless Connection

Connect to **Apple CarPlay™**³ and **Android Auto™**³ without a cable in sight. This cordless connection makes life easy and uncluttered.

Connect anywhere

Every Everest comes fitted with an embedded modem.

Using the Ford app on your smartphone, you can locate your vehicle, lock and unlock the doors, and even start the engine remotely.

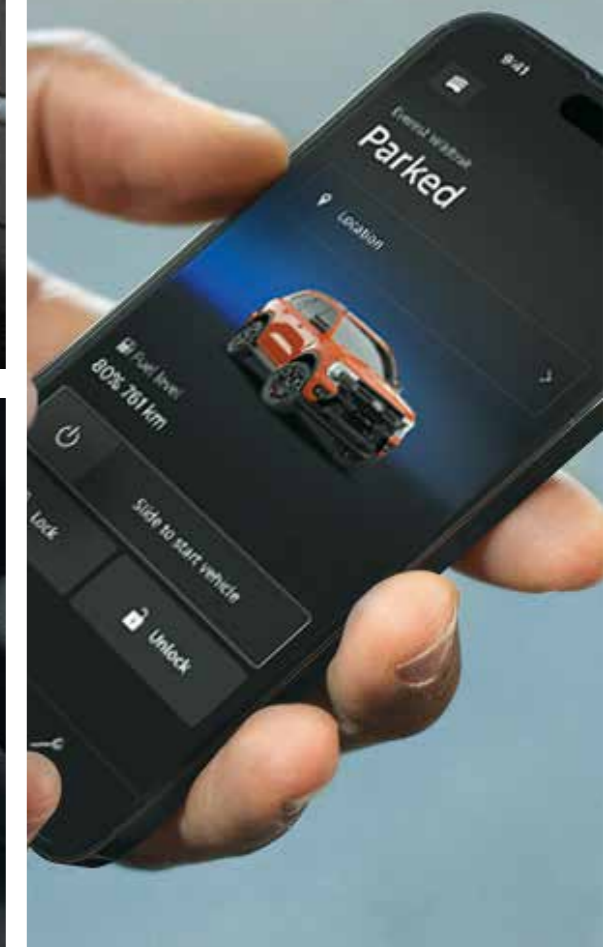

Heat or cool cabin to last known setting.

Receive Health Alerts like battery or oil levels.

Check your fuel levels remotely.

Effortless interactivity

The Everest lets you experience a whole new world of connectivity, with wireless charging⁴, wireless connection and the cloud-based **SYNC® 4⁵** infotainment system.

SYNC® 4⁵

A cloud-connected in-vehicle communication and entertainment system with a host of features, made easier by the system showing your last 5 actions, wireless smartphone integration, and a 12-inch touchscreen.

Wireless Charging Pad⁴

Avoid the hassle of having to plug in your phone. Simply place it on the Everest's wireless charging pad and you're good to go.

Wireless Charging Pad

SAFETY & DRIVER ASSISTANCE

Blind Spot Monitoring with Cross Traffic Alert & Trailer Coverage^{8*}

The Everest takes blind-spot detection to the next level. BLIS[®] (Blind Spot Information System) with Trailer Coverage[®] can alert you if a vehicle is detected in your Everest's or trailer's blind spot. It's added peace of mind and makes for safer and less stressful driving.

The Everest Evasive Steer Assist⁹

If Pre-Collision Assist determines the distance is too short to brake in time to avoid a collision, your Everest will provide steering support (without steering for you) to help you avoid the obstacle.

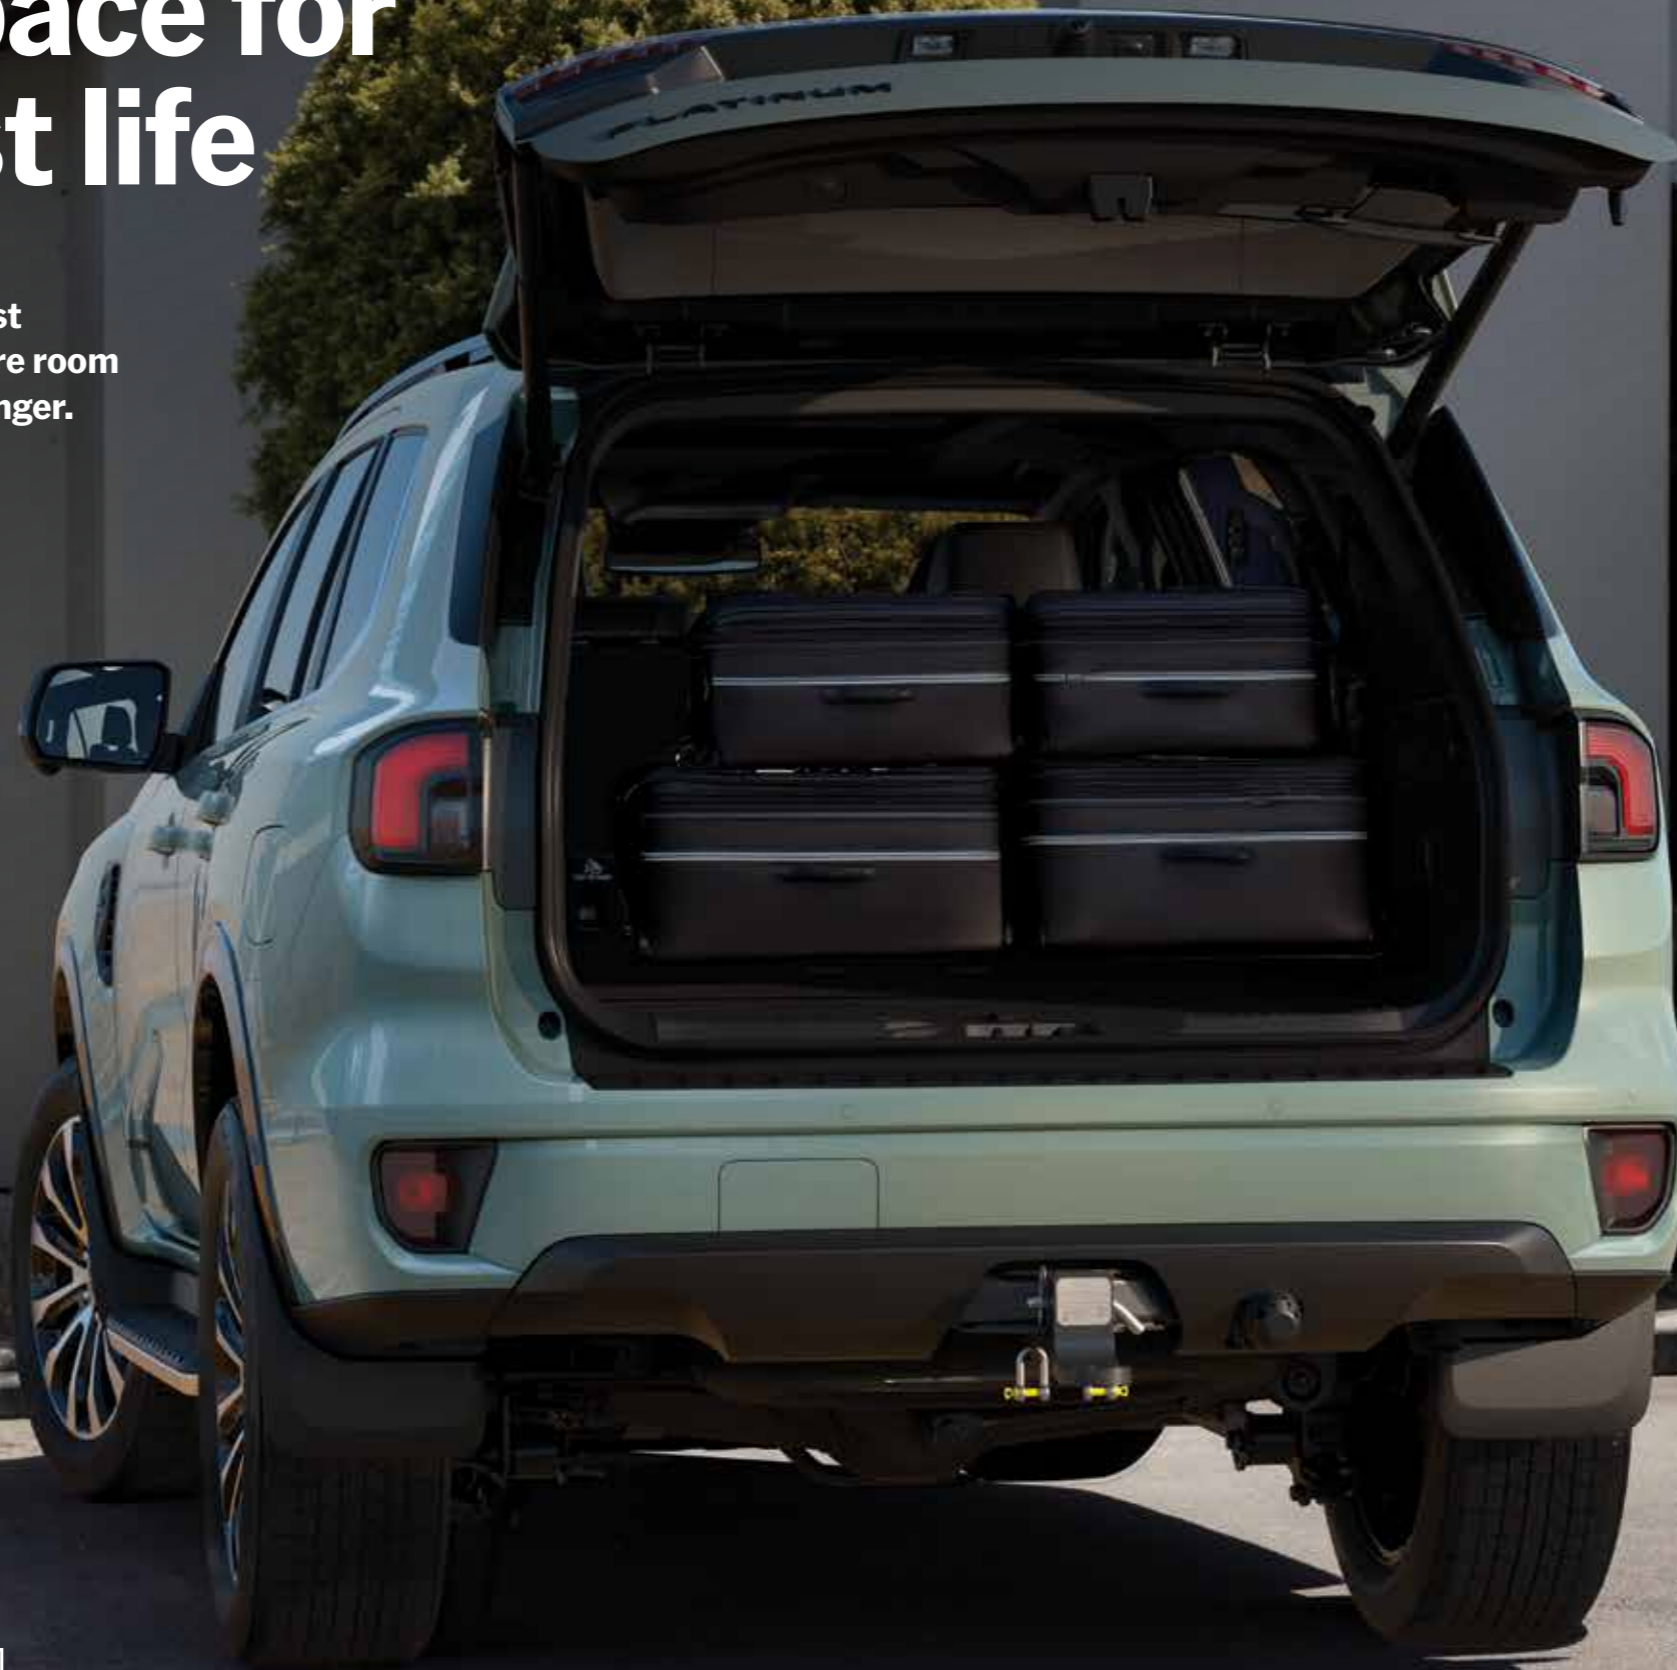

The Everest with 6 Airbags

Includes front driver and passenger airbags, dual seat side thorax airbags and dual side curtain airbags covering all three rows.

**Applicable to Sport, Wildtrak and Platinum models only.*

Enough space for the biggest life

Everyone should be comfortable, no matter where they sit. The Everest is more spacious than ever, with more room and enough storage for every passenger.

The Everest Third Row Seating

The Everest's third row is wider, with more leg room, improved seats and easier access. Overhead vents keep the air circulating and the rear passengers cool and comfortable.

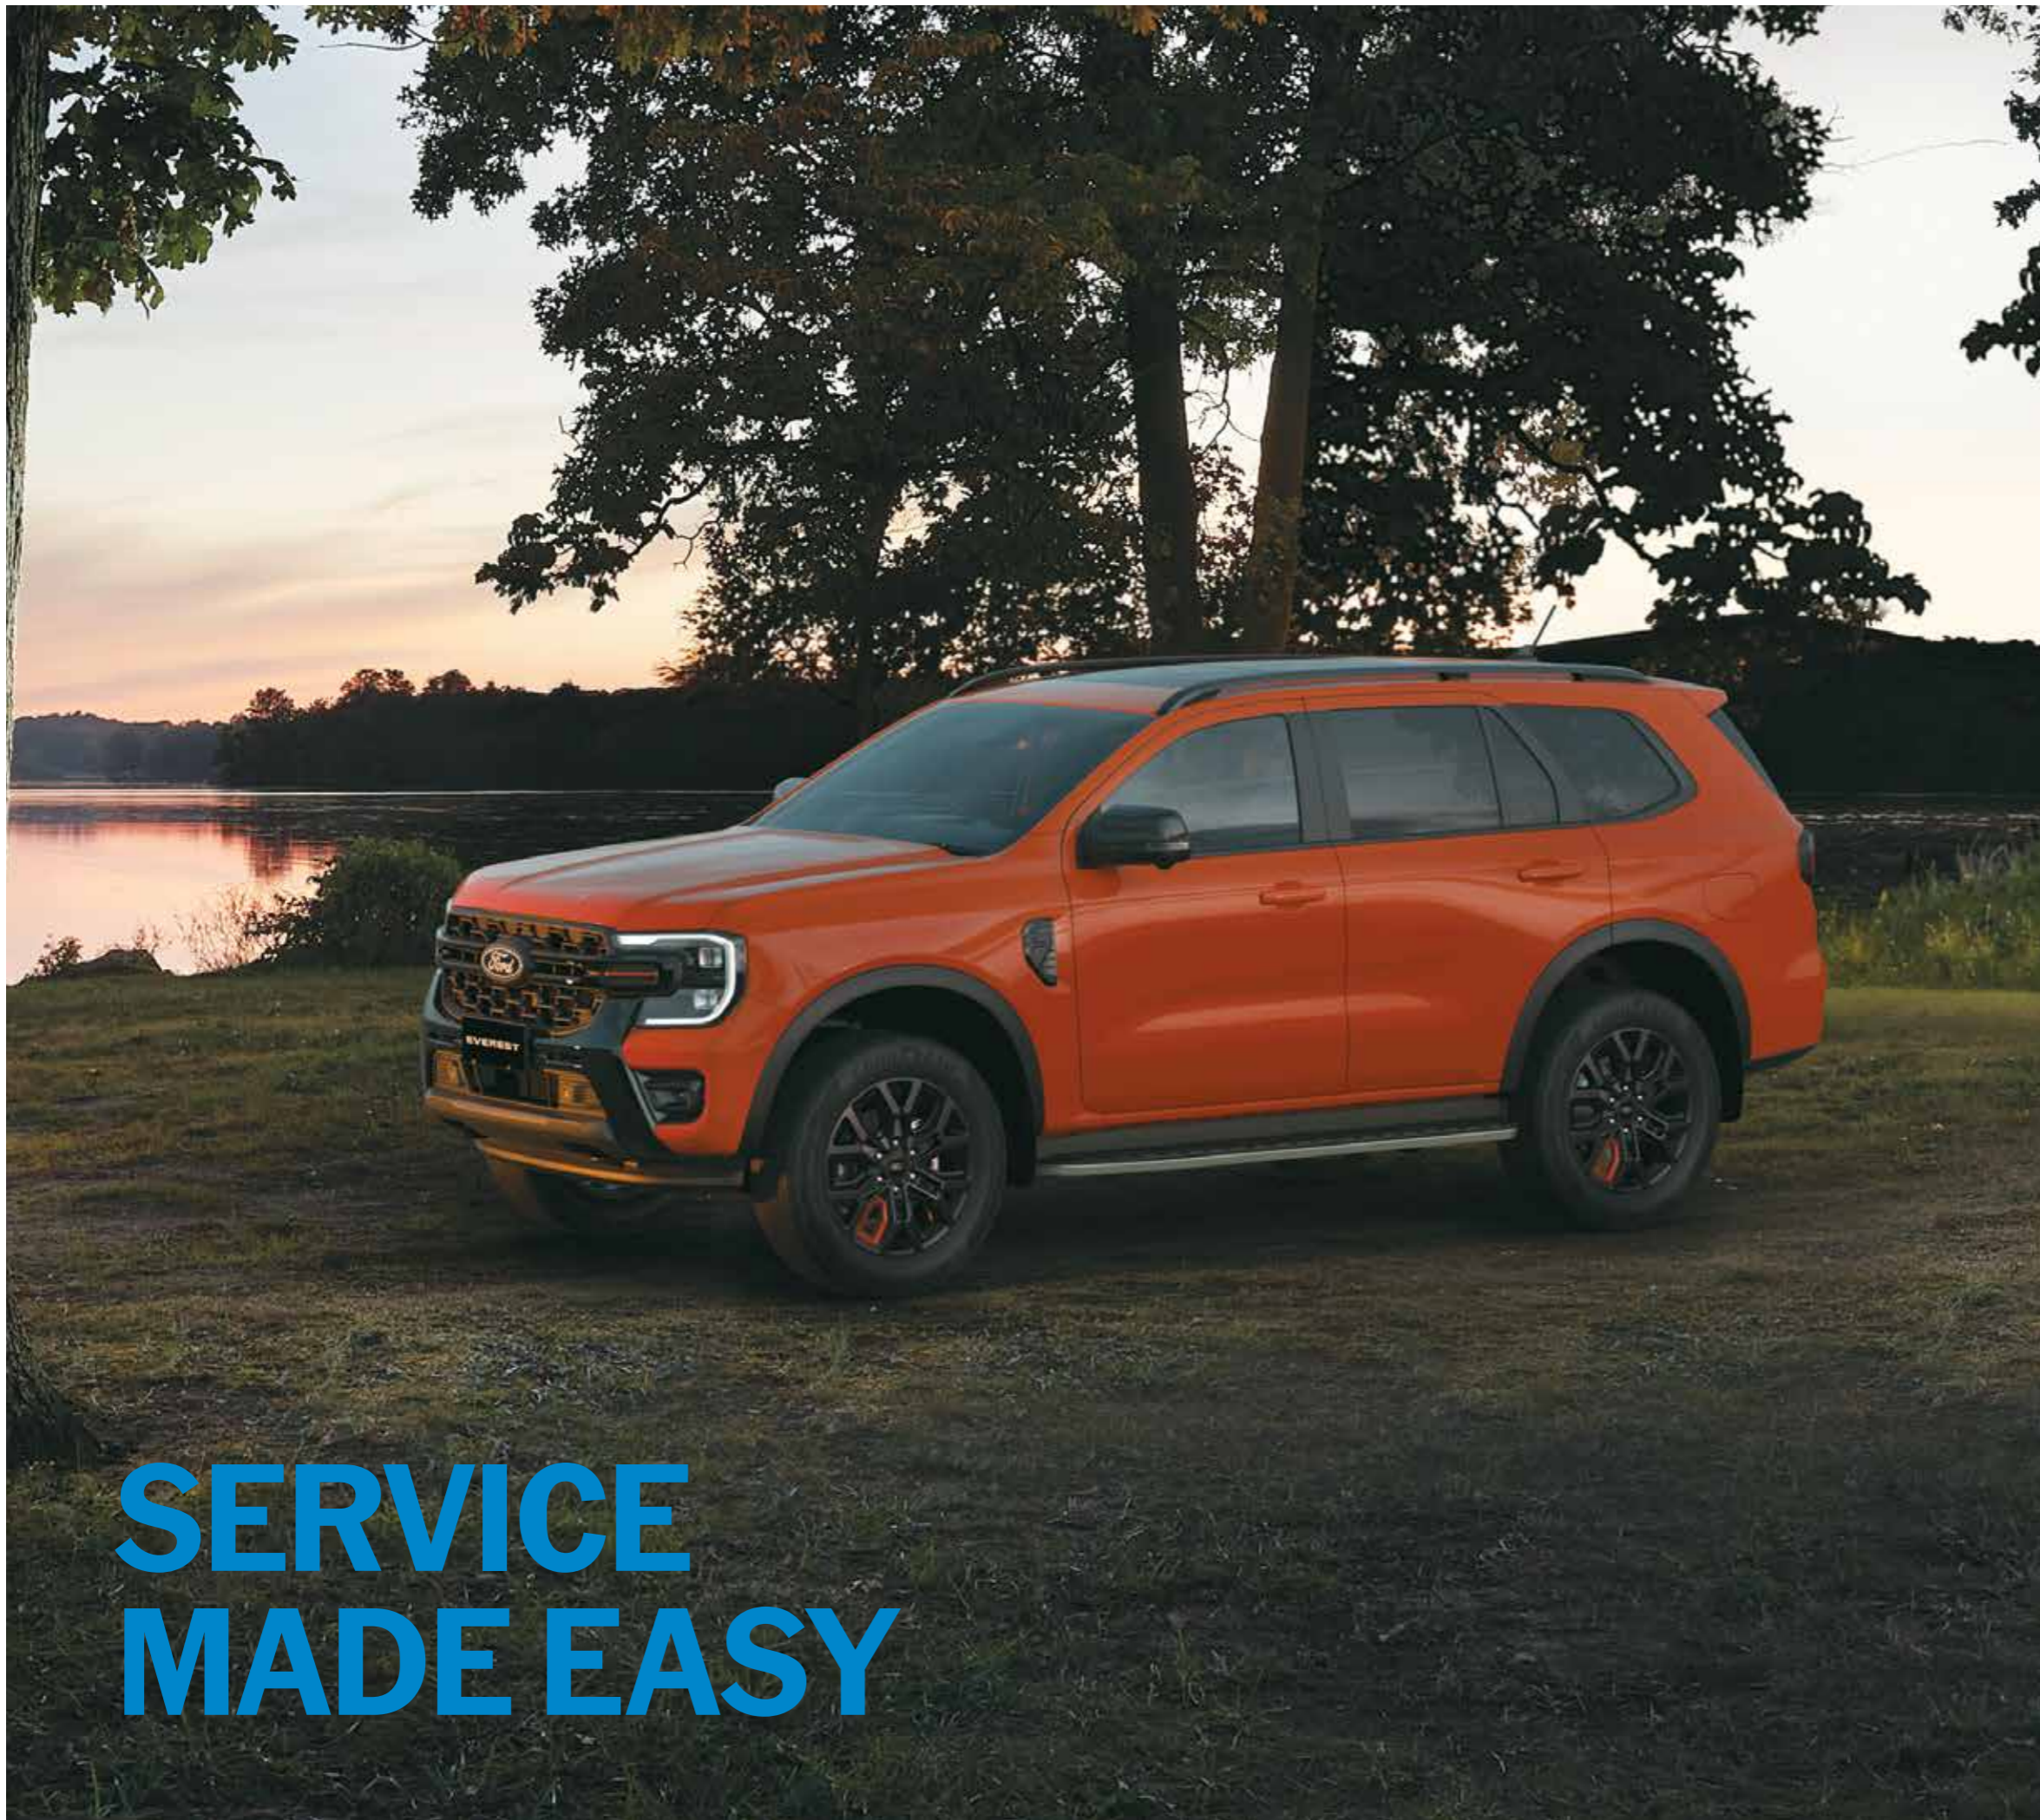

The cabin is quieter, so conversation can flow easily. Of course, side curtain airbags are standard.

The Everest power liftgate

The Everest's liftgate is wider for easier loading, opens and closes faster, and is designed to fully operate even with a conventional trailer attached.

Only available on Sport, Wildtrak and Platinum series.

**SERVICE
MADE EASY**

Intelligent Oil Life Monitoring System (IOLM)

The way you drive can have a significant impact on how often your oil needs changing.

The Intelligent Oil Life Monitor in Ford vehicles is a smart system that monitors oil life and alerts you with a message in the instrument cluster and Ford app when the oil needs changing.

NOBODY KNOWS YOUR FORD LIKE WE DO

There's no better way to personalise your Ford than with the wide range of Ford accessories available for every model.

From cargo netting and floor mats, to bonnet protectors and scuff plates, you'll find lots of options to make your Ford uniquely your own at one of our nation-wide Dealers.

Genuine Quality

Every Ford Genuine and Ford Licensed Accessory has undergone a rigorous evaluation process by Ford engineers to ensure it's fully compatible with your vehicle for optimal integration and performance.

Four Year Warranty

Enjoy complete peace of mind with all Ford Genuine and Ford Licensed Accessories, backed by a full Ford Warranty of up to 4 Years / 120 000km.

South Africa-wide

Our vast national network of Ford Dealers means there's a fitment centre conveniently located near you. Always up-to-date with thorough knowledge of the newest products and latest technical information, your local Ford Dealership is the perfect place for all your accessory needs.

Bonnet Protector

- Helps deflect and prevent stones and other objects from damaging the bonnet.
- UV resistant to prevent cracking, fading or distortion.
- Made from tough durable acrylic.

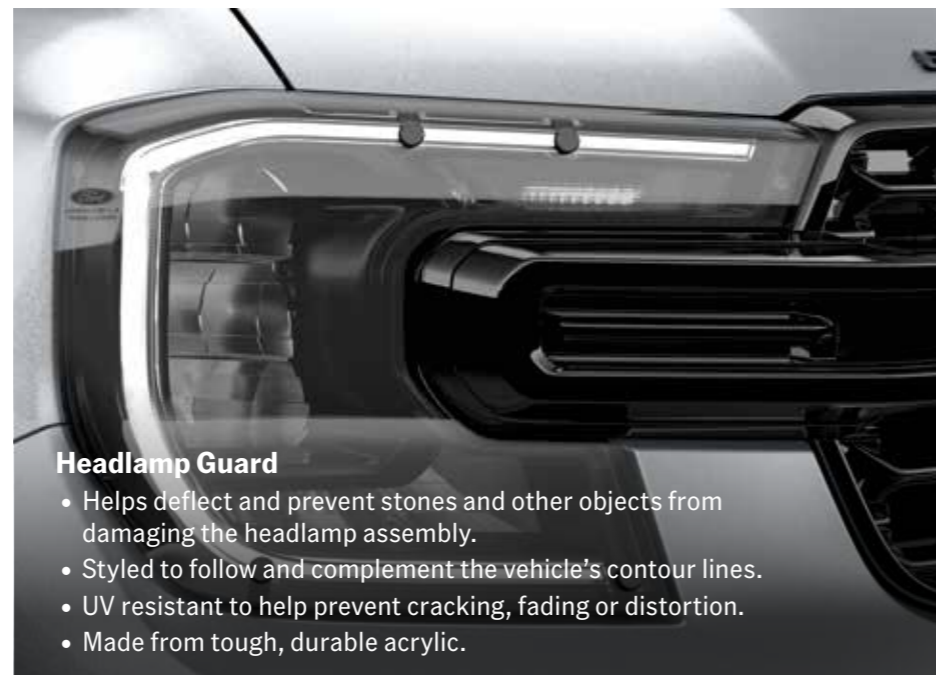

Trunk Mat - Anti-Slip

- Anti-Slip helps protect the cargo area from wear and tear and prevents loose items from shifting.
- Durable and easy to remove and clean.

Cargo Netting

- Securely covers loose items to minimise movement during transit.
- Attaches to the floor and side panels of the cargo area.
- Easy to install and remove.

Headlamp Guard

- Helps deflect and prevent stones and other objects from damaging the headlamp assembly.
- Styled to follow and complement the vehicle's contour lines.
- UV resistant to help prevent cracking, fading or distortion.
- Made from tough, durable acrylic.

Weather Shields

- Helps deflect wind and rain.
- UV resistant to help prevent cracking, fading or distortion.
- Made from tough durable acrylic.

All Weather Floor Mats

- Genuine Ford rubber mats tailor-made to fit your vehicle perfectly.
- The heavy-duty synthetic rubberised material protects the interior of your vehicle from mud and dirt.

Scuff Plates

- Polished stainless steel scuff plates look great and protect your door sills from scratches and scrapes.

Cargo Barrier

- Helps to restrain load in the cargo area. Not compatible with 3rd row seat when upright.
- Pet Friendly.

ADVENTURE

— CLUB —

LEVEL 1

COMPLIMENTARY 4x4 TRAINING

When purchasing the 4x4 RANGER or EVEREST you qualify for a FREE introductory 4x4 course.*

The benefits of 4x4 training:

Acquire skills and knowledge which can be applied to ensure optimal, safe, and environmentally responsible application of the 4WD vehicle on and off-road.

For more details please see our website:

<https://fordadventureclub.co.za/>

*The 4x4 training is only available to 4x4 Ranger, Raptor and Everest owners and is valid for a year from the date of purchase.

*Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers. Fuel economy and emission figures obtained from controlled tests on a combined cycle. Note that the actual fuel consumption and emission will depend on many factors including your driving habits, prevailing conditions and your vehicles equipment, condition and use. * Ford App and vehicle's modem comes standard on all Everest from September production 2021.*

Terms & Conditions

- Maximum Braked Towing Capacity using a Genuine Ford tow pack. Subject to South African laws and regulations. To comply with these limits, occupants and or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual.
- Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.
- Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service. SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.
- Wireless Charging only available with compatible phones.
- Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC® 4 features are compatible with all phones. For more details see ford.co.za/technology/sync/
- Use of Ford app is subject to the Ford app Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on www.ford.co.za/fordapp/ and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and Vehicle's Modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Vehicle Locator Service available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Refer to Ford app terms and conditions on our website for connected service offered periods.
- Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.
- Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or

- in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Only works with a genuine factory fit Ford Tow Bar.
- Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Indicative pre-production vehicle specifications and images shown. Specifications and features on production model may vary. Vehicle undercarriage should be cleaned with fresh water after driving on sand.

The declared fuel consumption and CO² emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO² emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. E & OE.

Fuel economy and emission figures obtained from controlled tests on a combined cycle. Note that the actual fuel consumption and emission will depend on many factors including your driving habits, prevailing conditions and your vehicles equipment, condition and use. Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers.

All Everest derivatives have its service plan unbundled from the purchase of the vehicle in line with the Competition Commission's Guidelines for the Automotive After-market Industry. Service and maintenance plans can be purchased directly from the Finance and Insurance Manager at any Ford Authorised dealership. Leather seats are a combination of leather and high-quality, durable materials. Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers.

FORD PROTECT

Ford offers a holistic suite of service, maintenance, extended warranty and roadside assistance products aimed at keeping your Ford Everest in top running condition.

The recommended Retail Price for all Ford Everest derivatives includes a 6 year / 90 000km Ford Optional Service Plan. In addition, various extended service and maintenance plans can be purchased directly from the Finance and Insurance Manager at any Ford authorised dealership. The service plan will cover the scheduled services on your selected plan based on the time, intervals and kilometres. For complete peace-of-mind motoring the Premium Maintenance Plan covers scheduled services, preventative care and replacement of “wear and tear” components as well as mechanical and electrical failure. Terms and Conditions apply.

Extended Warranty options: Covering your vehicle for up to 7 years or 200 000km from the original warranty start date.

Extended Service Plan options: Available for up to 8 years or 165 000km from original warranty start date.

Extended Maintenance Plan options: Ford Protect has a variety of maintenance options for up to 7 years or 150 000km from the original warranty start date.

Roadside Assistance: Opt for an additional 1 or 2 years of Roadside Assistance.

Please contact your nearest Ford Dealer for more information regarding Ford Protect plans and product options or visit www.ford.co.za/owner/ford-protect/

Errors and omissions excepted (E&OE). **New Vehicle Limited Warranty.
