# THE NEW SPORT RANGER

The New Ford Ranger Sport takes capability and injects it with adrenaline. Featuring a bold new look and dynamic handling, it's designed for those who refuse to blend in. It's the Ranger you trust, refined for the drive you crave.

# READY SET *Ford*

12" IP Screen, Electronic Park Brake

LED Headlights with C-Clamp DTRL

Front Tow Hooks (x2)

Cargo Lights

18" Alloy Wheels

# THE WORLD'S MOST VERSATILE BAKKIE

The New Ranger helps you make light work of any job with best-in-class towing, payload and engine. There's no end to its versatility either, with integrated rear box step, new Cargo Management System, a wider load box that fits 'Euro' pallets and a tailgate work bench.

Cargo management system is optional on Sport, Wildtrak and Tremor. Drop in bedliner with the ability to create your own storage compartments is standard only on Wildtrak. Rear box step not available on Single Cab XL.

## Better ways to work

### Clamp pockets

Two clamp pockets on the end of the tailgate allow you to clamp timber or tools to the tailgate work bench. They're concealed by spring-loaded capping when not in use.

### Wildtrak's Cargo management system

Wildtrak's tie-down cleats can be configured to your specific needs, with an adjustable internal load rail on each side of the bed. Cleats slide and lock into 9 locations and are load rated to 250kg.

### Fits a pallet

The New Ranger has a wider track providing more room between the wheel arches. You can now load a standard sized "Euro" pallet (1,200mm x 800mm) in the bed.

### Improved bedliner

The ribs on the floor of the moulded bedliner are now wider, offering more surface area to better grip cargo, and a more comfortable surface to kneel on.

### Zone lighting<sup>1</sup>

On selected models, a network of lights including headlamps, external mirror puddle lamps and rear box lamps work together to illuminate the perimeter of the vehicle so you can work or play into the night.

# THE RANGER PLATINUM

Ranger Platinum is all about having the luxuries of a premium SUV with the versatility of a pickup. The Ranger Platinum is the answer to an ever-growing market for luxury lifestyle bakkies.

Premium leather trim, accent stitching

Pro Trailer Backup Assist

20" Alloy, machine-faced wheels

Unique branding (3D hood & front doors badging)

# THE POWER & CAPABILITY OF THE NEW 2.3L PETROL 222kW

New and upgraded engines, a range of transmissions and selectable drive modes are just some of the features that make the Ranger the most capable bakkie on the market.

- 2.0L Single-Turbo with 6-speed manual & 10-speed automatic
- 3.0L V6 turbo-diesel with 10-speed automatic
- New 2.3L Petrol with 10-speed automatic

A reinforced chassis, new shock tower mounts, unique upper and lower control arms and a refined Watts link rear end allows the Ranger to handle punishing off-road conditions.

Selectable drive modes<sup>4</sup>

Ultimate towing experience<sup>5</sup>

## Intelligent Oil Life Monitoring System (IOLM)

The way you drive can have a significant impact on how often your oil needs changing.

The Intelligent Oil Life Monitor in Ford vehicles is a smart system that monitors oil life and alerts you with a message in the instrument cluster and Ford app when the oil needs changing.

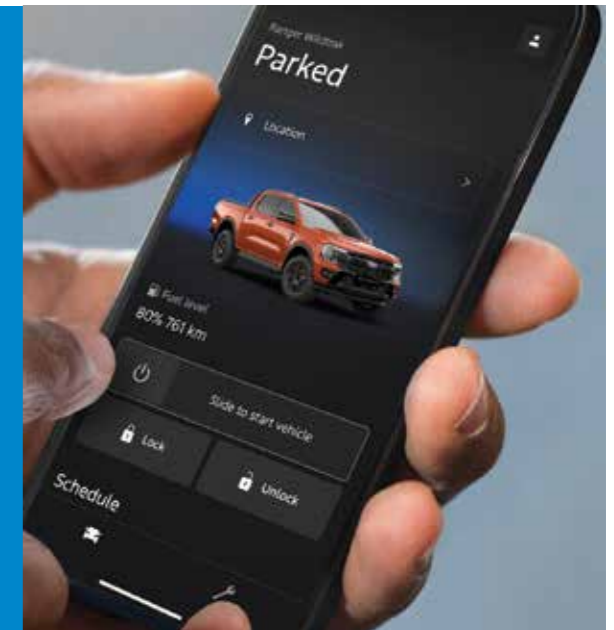

## Connect anywhere

Every Ranger comes fitted with an embedded modem.

Using the Ford app<sup>6</sup> on your smartphone enables you to locate your vehicle, lock and unlock your doors and even remotely start your engine, opening up a world of connectivity.

- Remote Vehicle Horn and Light
- Receive Health Alerts like oil levels
- Check your fuel levels remotely

# SAFETY DONE SMART

**Our safest Ranger ever.**

It's packed with advanced safety features and driver-assistance technologies to help protect you and those you care about, on and off the road.

## **Blind Spot Monitoring with Cross Traffic Alert & Trailer Coverage<sup>8</sup>**

The Ranger takes blind-spot-detection to the next level. BLIS<sup>®</sup> (Blind Spot Information System) with Trailer Coverage<sup>4</sup> can alert you if a vehicle is detected in your Ranger's or trailer's blind spot. It's added peace of mind and makes for safer and less stressful driving.

Standard on Sport, Wildtrak, Tremor and Platinum.

## **360-Degree Camera**

Offers a bird's-eye top-down view around your vehicle, making it easier than ever to navigate tight spaces and crowded parking lots.

Standard on select derivatives only.

## **Adaptive Cruise Control with Stop & Go and Lane Centering<sup>8</sup>**

This feature allows you to maintain a preset speed and distance from the vehicle ahead. If traffic slows in front of you, the vehicle will automatically slow down and come to a stop and then return to your set cruising speed once traffic clears. Plus, Lane Centering helps keep your vehicle centered in the lane.

Standard on select derivatives only.

# Nobody knows your Ford like we do

### Weather shields

Featuring a low profile design that helps deflect wind and rain whilst also helping to reduce window fogging by allowing interior heat to escape.

### Scuff Plates

Helps protect the door sills from scratches and scuffs. Enhances the appearance of the vehicle and features Ranger branding.

### Headlamp Protector

Enhance the look of your Ranger with these headlamps surround trims. Made from durable, high-quality, UV resistant materials that help prevent cracking, fading, and warping.

There's no better way to personalise your Ford than with the wide range of Ford accessories available for every model.

From bonnet protectors, scuff plates and bull bars to canopies, roller shutters and tonneau covers, you'll find lots of options to make your Ford uniquely your own at one of our nation-wide Dealers.

### Bed Divider

The Bed Divider is fitted in the integrated cargo management system rail channels of the vehicle. The divider slides back and forth and locks in multiple positions operated by the hand-wheel. By separating your cargo area into two compartments you can prevent your groceries, tools, luggage and other items from sliding to the front – making them difficult to reach or causing damage.

### Sports Bar

Add a unique, sporty appearance to your Ranger with the long leg sports bar. Features a black, powder-coated finish.

### Decals - Speed Stripes

Stand out from the crowd with these matte black side body decals. Features Ranger branding with a design that accentuates the lines of the vehicle. Made from 3M high performance graphic film.

### Soft Tonneau Cover

The premium soft tonneau cover is quick and easy to fit and leaves your vehicle looking sharp without any visible bungee cords or straps. All opening mechanisms are hidden, therefore concealing how your load area is accessed. Made from a high quality, UV resistant, matte black vinyl material.

### Genuine Quality

Every Ford Genuine and Ford Licensed Accessory has undergone a rigorous evaluation process by Ford engineers to ensure it's fully compatible with your vehicle for optimal integration and performance.

### Four Year Warranty

Enjoy complete peace of mind with all Ford Genuine and Ford Licensed Accessories, backed by a full Ford Warranty of up to 4 Years/ 120 000km.

### South Africa wide

Our vast national network of Ford Dealers means there's a fitment centre conveniently located near you. Always up-to-date with thorough knowledge of the newest products and latest technical information, your local Ford Dealership is the perfect place for all your accessory needs.

## Terms & Conditions

- Zone lighting standard on Sport , Wildtrak , Tremor & Platinum derivatives.
- Not all SYNC® 4 features are compatible with all phones.
- Wireless Charging only available with compatible phones on applicable derivatives.
- Some drive modes available on 4x4 only. Drive modes not available on XL models. Rotary dial to change drive modes are standard on 3.0L V6 derivatives only.
- Maximum braked towing capacity using a Genuine Ford tow pack (Standard on XLT, Wildtrak models. Available as a standalone option on XL at an additional cost). For further details regarding passenger and luggage restrictions, please consult your authorized Ford Dealer and / or refer to the Owner's Manual.
- Use of Ford app is subject to the Ford app Terms and Privacy Policy available on <https://www.ford.co.za/fordapp/> and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and Vehicle's Modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings.
- Trailer Coverage system (requires a genuine factory fit tow bar) supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system.
- Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Please see Owner's Manual for more information. Adaptive cruise control uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. Adaptive cruise control and

Lane Centering has a minimum operating speed of 20km/hr. Detection of lower speed limit will result in system entering standby. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Customers should read the Owner's Manual for full details of the limitations of the Adaptive cruise control system before activating the system.

Apple CarPlay™/ Android Auto™ requires compatible phone with compatible version of Apple iOS/Android™ (as applicable) and active data service. SYNC does not control Apple CarPlay™/Android Auto™ while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink is available on selected SYNC models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.

The declared fuel consumption and CO<sup>2</sup> emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO<sup>2</sup> emissions figures are used to compare different vehicle types under uniform conditions and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition, and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so. Service and maintenance plans can be purchased directly from the Finance and Insurance Manager at any Ford Authorised dealership. Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers. E and OE.
