

Value Care Used Service Plan

A Value Care Service Plan from Ford Protect is an affordable and value-packed extended service plan.

Ford Value Care is a prepaid service plan for your Ford. You lock in future service costs at today's pricing, then simply book your services as normal at an authorised Ford dealer.

Ford Value Care is a plan that offers a promise of complete confidence, ensuring every journey is safe, worry-free, and financially smarter.

All scheduled items are covered per Ford's service schedule, using genuine Ford parts and trained technicians, at authorised Ford dealers.

Plans are transferable with the vehicle and start at date of sale and current kilometers.
